

Flash Deck® 15 | 30 | 50 LIMITED WARRANTY

Standard 15-Year | Certified 30-Year Shingle | Certified 50-Year Metal Issued By: Roofers' Advantage Warranty Company, LLC (RAWC) **Product:** Flash Deck® Underlayment and Flashing Products (the "Product")

- Limited Product Warranty (Standard Tier):** Roofers' Advantage Warranty Company, LLC ("RAWC") warrants to the original retail purchaser ("Buyer") that the Product will be free from leaks caused by material defects and will retain its ability to shed water for a period of fifteen (15) years from the date of original verifiable installation, provided the installation is registered with RAWC within thirty (30) days of completion, and provided further that it is installed professionally and in strict accordance with Roofers' Advantage Products, Inc. written instructions and applicable building codes.
- Enhanced System Extension (Certified Contractor Tier):** If the Product is installed by a Flash Deck® Underlayment Specialist™ and registered with Roofers Advantage Products, Inc. within thirty (30) days of completion, the Warranty Period is extended to (A) the functional life of primary **asphalt shingles**, not to exceed thirty (30) years, contingent upon an installation that meets the primary manufacturer's published instructions and ARMA (Asphalt Roofing Manufacturers Association) Technical Bulletins, such that the installation would be eligible for that manufacturer's premium/extended warranty coverage (regardless of whether such coverage was purchased), or (B) the functional life of a **metal roofing** system, not to exceed fifty (50) years, contingent upon strict accordance with the metal manufacturer's technical specifications and the Metal Roofing Alliance guidelines; RAWC reserves the right to request photographic evidence of the installation to verify this "certifiably installed" status.
- UV Exposure & Operational Limits:** The Product is warranted not to materially deteriorate from UV exposure for up to six (6) months (180 days) prior to being covered, but this warranty is rendered VOID if any part of the Product remains exposed to ultraviolet radiation after the primary roof cladding installation is complete.
- Exclusions from Coverage:** This limited warranty does not cover damage caused by workmanship (misapplication or inadequate fastening), structural defects (faulty design or substrate cracks exceeding 1/16 inch), external damage (foot traffic, animals, or vandalism), Acts of God or other acts of nature (including but not limited to hurricanes, tornadoes, earthquakes, or lightning), interior moisture/condensation, or severe weather occurring prior to the installation of the primary roof cladding.
- Sole and Exclusive Remedy:** RAWC's sole liability and the Buyer's EXCLUSIVE REMEDY is limited strictly to a pro-rata refund or credit equal to the original net invoice price paid for the product; RAWC will, at its option, replace the material or refund said purchase price only. RAWC shall not be liable for the cost of labor, removing or replacing roofing substrates or primary cladding, property damage, personal injury, mold remediation, or loss of profits, and the Buyer shall pay all transport, testing, and handling costs for any returned or alleged failed product.
- Claims Procedure:** Buyer must provide RAWC with written notice of any defect within thirty (30) days of discovery; failure to provide timely notice or allowing repairs by unauthorized parties shall render this warranty void.
- Disclaimer of All Other Warranties:**
